Education

National School of Advanced Science and Technology Borj Cédria-ENSTAB <i>Engineering degree in Advanced Technologies specializing in Advanced Electronics and Nanotechnology.</i>	2023 – Present
Preparatory Institute for Engineering Studies of Tunis-IPEIT <i>Preparatory Cycle in Mathematics-Physics(MP).</i>	2020 – 2022
Pioneer High School of Tozeur <i>Mathematics Baccalaureate. Final Grade: Honorable Mention</i>	2019 – 2020

Experience

Summer Internship <i>Tunisie Télécom</i>	2023-2024
◦ Title : Implementation of Eyes of Network for IT Infrastructure Monitoring. ◦ Skills : Eyes of Network (EON), VMware Workstation Pro, Oracle VM VirtualBox.	

Projects

Plant Disease Detection System Based on Embedded AI <i>Final-year project</i>	2024-2025
Design and deployment of an embedded AI system for real-time detection of tomato leaf diseases, using MobileNetV2, OpenCV, and TensorFlow on a Raspberry Pi.	
ESP SmartHub: IoT Control and Monitoring Dashboard	2024-2025
Developed a smart home dashboard using ESP8266 for real-time sensor tracking, home automation, and remote appliance control.	
PID Line Follower Robot	2024-2025
Built an autonomous robot using QTR reflectance sensors, an Arduino board, and a PID control algorithm for precise line tracking.	
GlucoGuide <i>Final-year project</i>	2023-2024
Created a Flutter/Dart mobile application for real-time blood glucose tracking, aiding diabetes management with an intuitive user interface.	

Skills

Programming Languages: C/C++, Java, Python, Matlab, R
Web and Mobile Development: HTML, CSS, JavaScript
DataBases: SQL
Development Environments and Tools: VS Code, Linux, Arduino IDE
Embedded Systems and Hardware: Raspberry Pi, ESP32, STM32, Arduino
Computer-Aided Design (CAD) Software: Catia
System Administration and Monitoring: Eyes of Network, Oracle VM VirtualBox
Automation and PLC: TIA Portal, Siemens
Semiconductor and Circuit Design: CMOS, Microwind
Language Skills: English: fluent, French: fluent, Spanish: beginner, Arabic: native

Social Activites

IEEE Enstab SB Club <i>Active member</i>	2023-Present
ELECTRONIX Club <i>Active member</i>	2023-Present
ETC Junior Enterprise <i>Active member</i>	2023-2024
